How to obtain Routing Assignments

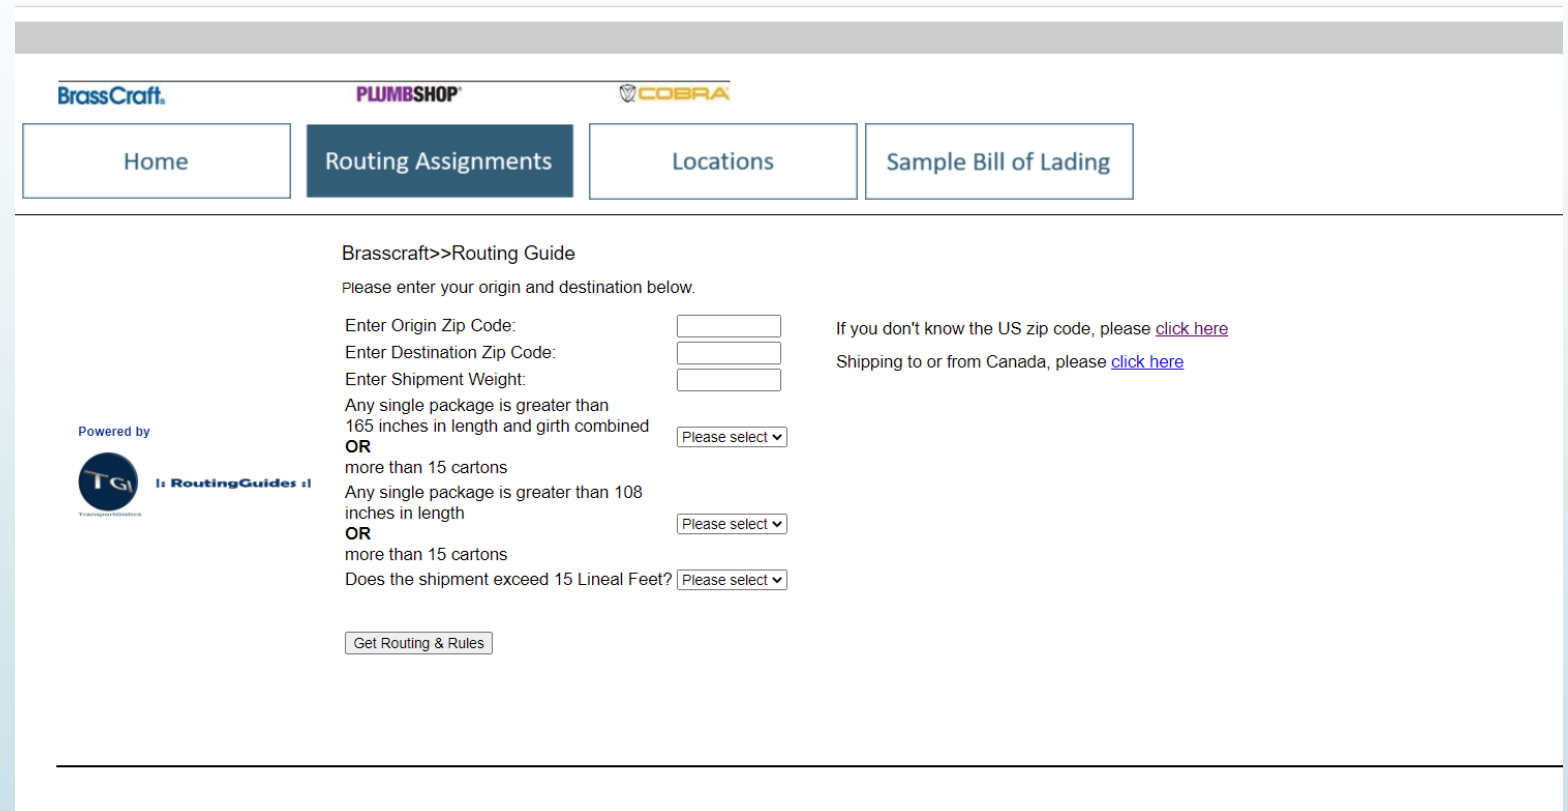

Home Screen will highlight recent changes / areas of importance

Choose Routing Assignments from top Navigation

The screenshot shows the Brasscraft Routing Guide web application. At the top, there are logos for BrassCraft, PLUMBSHOP, and COBRA. Below the logos is a navigation bar with four buttons: Home (highlighted in dark blue), Routing Assignments, Locations, and Sample Bill of Lading. The main content area contains a welcome message: "Welcome to our Routing Guide. The Brasscraft Logistics Department strives to consistently and effectively manage the flow of all material. This routing guides applies to any shipment where Brasscraft is responsible for payment of freight charges. Any questions regarding these instructions should be directed to your Buyer." Below this, there is a link for "online training" and a note: "[As you navigate through our routing guide, be sure to look here for additional features and information.]" To the right, there is a "What's New" section with a table structure. At the bottom left, it says "Powered by" followed by the TGI logo and "RoutingGuides.nl".

How to obtain Routing Assignments

Enter origin zip code, destination zip code, weight (in lbs) choose options for each question – click on Get Routing & Rules

The screenshot shows a web interface for obtaining routing assignments. At the top, there are logos for BrassCraft, PLUMBSHOP, and COBRA. Below the logos is a navigation menu with four buttons: Home, Routing Assignments (which is highlighted in dark blue), Locations, and Sample Bill of Lading. The main content area is titled "Brasscraft>>Routing Guide" and contains the following text: "Please enter your origin and destination below." This is followed by three input fields: "Enter Origin Zip Code:", "Enter Destination Zip Code:", and "Enter Shipment Weight:". To the right of these fields are two links: "If you don't know the US zip code, please [click here](#)" and "Shipping to or from Canada, please [click here](#)". Below the input fields are three "OR" conditions, each with a "Please select" dropdown menu: "Any single package is greater than 165 inches in length and girth combined", "Any single package is greater than 108 inches in length", and "Does the shipment exceed 15 Lineal Feet?". At the bottom left of the form area is a logo for "Powered by TGI RoutingGuides". At the bottom center is a "Get Routing & Rules" button.

Understanding Routing Assignments

Carrier Assignments for shipment requirements – account numbers if appropriate

Produce your Bill of Lading / paperwork and contact the carrier directly to arrange for a pick up

Special rules

The screenshot displays a web interface for routing assignments. At the top, there are logos for BrassCraft, PLUMBSHOP, and COBRA. Below these are navigation tabs: Home, Routing Assignments (selected), Locations, and Sample Bill of Lading. The main content area shows the following information:
